## Information for clients

## Firm Profile

Lord Commercial Lawyers is a full service commercial law firm. The firm is comprised of senior practitioners, with extensive experience.

## Our Approach

The approach of our firm is simple.

We realise that you come to us to provide you with cost effective solutions and outcomes. We take time to understand your plans and expectations.

Our advice is definitive, clear and unambiguous. You are never left with any doubt on the course of action we suggest.

We deliver high quality work with thought and dedication to your needs and expected outcomes.

## We strive to:

- **Build long-term relationships.** These relationships are based on communication. They lead us to a sound understanding of your needs and enable us to provide better and quicker legal solutions. They allow us to assist clients to anticipate and eliminate potential legal problems.
- **Providing legal solutions that are based on a strong sense of business reality.** We offer sound legal advice that is based on commercial common sense. We aim to provide advice that will lead to the best possible result consistent with the law, commercial reality and our client's time constraints.

# Lord Commercial Lawyers

## Our Major Areas of Practice

We advise on a wide range of commercial, business, property, migration, dispute resolution and personal law.

The areas in which we have considerable experience and expertise are:

## Business Law

We maintain active involvement with our clients in the acquisition and disposal of businesses. We are also involved in the preparation of commercial contracts for local and international transactions.

## Corporate Structures

Incorporating companies and establishing trusts. We provide specific advice on legal structures to maximize tax effectiveness and to minimize the personal risk of investors.

## Corporate and Personal Insolvency

Providing strategic advice to both debtors and creditors in the areas of asset protection, debt restructure and debt recovery.

## Director's Advice

Advising directors in relation to their corporate legal responsibilities, to minimize their exposure and risk, in a demanding and complex corporate environment.

## Dispute Resolution

Conflict and dispute are a reality we have experience in all aspects of litigation. We don't "fan the fire" we use all of our skill and ingenuity to seek to resolve conflicts and disputes quickly.

## Employment Law

Drafting, negotiating and advising on employment contracts. Advising on employment issues in outsourcing. Negotiating and implementing redundancy strategies.

## Finance

Negotiations and advice on all forms of lending transactions, for both borrowers and lenders, including construction finance, commercial finance facilities, and residential mortgage lending.

## Intellectual Property

We are experienced in the registration of trademarks, drafting confidentiality agreements and advising on intellectual property licensing development and transfers.

## Migration Law

We offer a full range of migration services including assessment of migration options, preparation of migration applications, skills assessments, business assessments and submissions to the Department of Immigration and Citizenship. We also handle appeals from refusal and cancellation of visas.

## Private Client Services

We have the breadth and depth of talent to provide our private clients with top quality advice on matters including business succession planning, personal asset protection, home purchasing, wills and estates.

## Property Transactions

We advise on the sale, purchase and development of industrial, commercial, retail and residential property, joint venture structures, residential and commercial conveyancing, building leasing and management.

## Succession and Estate Planning Services

We provide legal services to financial, accounting and legal advisors and their clients in the areas of:

- Wills and Estate planning;
- Funded business succession agreements for businesses;
- Establishing and reviewing investment and business structures in the light of personal, business, asset protection, retirement and estate and succession planning objectives

## Technology Law

We can assist clients with the range of licence, maintenance, system intergration and development agreements for simple or complex projects.
